**-Information -Inspiration -Transformation**

**Information** : knowledge obtained from investigation, study, or instruction (Head knowledge)

**Inspiration** : something that arouses action or activity (In our Heart)

**Transformation** : an act, process, or instance of transforming or being transformed (Changed Life)

Information when we read it and retain it in our mind we get excited to want to do something with it. When that information or knowledge leaks into our heart we get excited because of this new knowledge that we just discovered and we get inspired. Then when we allow that knowledge that inspires us to do something with it, we become transformed.

They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.
